IndiaTechSoft | pune

Web Development Intern | 07/2025 - 09/2025

Worked as a web development intern, developing responsive web pages using HTML, CSS, and JavaScript, and integrating backend functionality with MySQL. Gained hands-on experience in debugging, testing, and deployment of web applications, enhancing practical skills in full-stack development.

## Projects

---

**E-Commerce Clothing Store** using PHP, MySQL, HTML, CSS, JavaScript, and Bootstrap. The project features a responsive online clothing store with separate customer and admin panels, enabling product browsing, search and filtering, shopping cart functionality, and secure checkout. An admin dashboard was implemented for inventory and order management, and AJAX was used for dynamic content while prepared statements ensured secure database operations.

**Hostel Management System** as an academic project using HTML, CSS, JavaScript, PHP, and MySQL. This system provides a user-friendly interface for hostel booking, student records, and fee management, with login authentication and full CRUD operations.
