Objective

A passionate Computer Science graduate currently pursuing a Master's in Data Science, with strong skills in Python, Java, C, MySQL, and web technologies (HTML, CSS). Proficient in data structures, algorithms, and OOP concepts, with practical experience gained through a web development internship involving real-world projects. Motivated to leverage technical expertise, embrace emerging technologies, and contribute effectively to impactful software and web development solutions.

Technical Skills

Python, C, Java | MySQL (Workbench 8.0 CE) | HTML, CSS | Data Structures | OOP Concepts | Git, GitHub

Soft Skills

Team Collaboration, Time Management, Leadership, Problem Solving

Education

MIT ACSC | BSC-Computer science | CGPA:- 7.9

MIT ADT UNIVERSITY | MCA-DataScience | CGPA:-7.75

Experience

IndiaTechSoft | pune

Software Developer Intern | 06/2025 - 08/2025

Contributed to software development projects involving **coding, testing, and documentation**.

Assisted in building and optimizing web-based applications while maintaining code quality and performance.

Gained practical experience in **problem-solving, teamwork, and applying programming concepts** to real-world projects.

Projects

E-Commerce Clothing Store using **PHP, MySQL, HTML, CSS, JavaScript, and Bootstrap**. The project includes a **responsive design** with separate **customer and admin panels** for better management. Customers can browse products, search, filter, add items to the cart, and securely checkout. The admin panel allows easy **inventory and order management**, and dynamic features were added to make the website more interactive and user-friendly.

Console-based quiz game in Python featuring random question selection to enhance interactivity. Utilized **Python dictionaries** for efficient question storage and easy modification. The project strengthened understanding of **loops, conditionals, and data structures**, while improving logical thinking and programming proficiency.

Certificates

Database Structures and Management with MySQL, Python Data structure

Extracurricular Activities

Volunteer: Science Week, MIT College, Coordinator: Sci-Fari Technical Event , Winner: Kshitij Cricket Tournament
